

## AEGEAN

### CLEANING & MAINTENANCE INSTRUCTIONS

### AQUACLEAN® TECHNOLOGY ADVANCED UPHOLSTERY PROTECTION

1. The AquaClean treatment system covers every single fibre with an invisible molecular coating.
2. Dirt does not penetrate the fabrics fibres.
3. The stains just disappear on applying water.
4. Simply remove with a lint free white cloth.

### WATER CLEANING IN THREE SIMPLE STEPS

Aquaclean® Technology enables you to get rid of small stains such as wine, coffee, food and even most marker pens without having to wash with soap or detergent. However, large stains may require a mild non-alkali detergent. Please spot test in an inconspicuous area first.

- 1 Remove any excess residue from your upholstery.
- 2 Apply water over the stain, either directly or using a damp cloth, then wait a few seconds.
- 3 Finally, press down with the damp cloth and rub gently over the fabric in circular movements. If the stain does not come off completely (especially dried in stains) repeat the process as required.

### MAINTENANCE

For routine maintenance of your fabric, we recommend that you vacuum the entire surface area regularly. You can use a normal home vacuum cleaner with a brush fitting.

# Aegean

Experience the elegance of Aegean, a harmonious blend of style and sustainability designed to transform outdoor spaces. Named after the beautiful Aegean Sea and its picturesque islands, this collection brings a touch of Greek elegance to its surroundings with four unique designs: Icaria, Idra, Leros & Skiathos

Icaria and Skiathos offer sophisticated semi-plains, perfect for versatile and timeless styling. Idra introduces a modern twist with its abstract herringbone pattern, while Leros stands out with its distinctive Goose Eye design. Each design is available in 8 luxurious colours, from ocean blue to sunshine yellow and soft naturals. The advanced colour protection technology guarantees that the fabrics retain their vibrant hues, even when exposed to sunlight, chlorinated water, and seawater. This unique collection is inspired by the natural beauty and cultural heritage of the Greek Islands, ensuring your outdoor projects reflect authentic Mediterranean charm.

This innovative collection is further enhanced with AquaClean, an advanced nano-technology finish that offers unparalleled protection against the toughest spills and stains. Aegean offers effortless maintenance in high-traffic environments, eliminating the need for specialised cleaning. Aegean passes BS 7176 Medium Hazard and Crib 5, making it suitable for indoor use too. Designed to withstand the demands of severe contract upholstery, Aegean is water-resistant and meets rigorous UK and USA standards for the marine, hospitality and leisure markets.

### FIRE RESISTANCE

Upholstery: BS 7176 Medium Hazard  
BS 5852 Part 2 Ignition Source 5 (Crib 5)  
When tested over C HR foam density approx. 0.36 kg/m3

IMO: I F PC Part 8 (Upholstery)

Water Resistance: Hydrostatic Head 150mm IS 20811

USA: FP 260 Class 1 (UF C)  
C L 117/13

Colour Match: Colour may vary from one fabric to another. If an exact match is required, please ask for a stock cutting.

Composition:

Icaria	100% Recycled Polyester
Idra	96% Recycled Polyester 3% Polyamide 1% Polyester
Leros	96% Recycled Polyester 3% Polyamide 1% Polyester
Skiathos	96% Recycled Polyester 3% Polyamide 1% Polyester

Width: 140cm

Weight:

Icaria	507 g/mi (Halogen Free FR Backcoated)
Idra	769 g/mi (Halogen Free FR Backcoated)
Leros	780 g/mi (Halogen Free FR Backcoated)
Skiathos	619 g/mi (Halogen Free FR Backcoated)

Repeat:

Icaria	Plain	
Idra	24 cm V	35.5 cm H
Leros	22.4 cm V	35.5 cm H
Skiathos	Plain	

Martindale:

Icaria	67,000
Idra	50,000
Leros	50,000
Skiathos	50,000

Wyzenbeek: 50,000 double rubs (cotton duck)

Severe Contract Upholstery

Can be steam cleaned  
20% bleach cleanable

Please refer to our sales office for detailed spot cleaning instructions
